About the Tutors

Lesley is a senior teacher trainer with the British Wheel of Yoga and is proud to have trained over 100 yogis of the future. She is passionate about yoga, both on and off the mat, and this passion is embedded in her teaching. She is particularly keen to relate yoga philosophy to everyday life, to ensure that yoga becomes a way of life, rather than exercises with Indian sounding names. She likes to keep her teaching fun and inviting, so that all students can travel the journey, regardless of their starting point.

Pauline is a BWY teacher with many years of experience. Yoga for me is the transformation process from the self-discovery that takes place on the mat to the integration into one's everyday life off the mat. The essence of my teaching is an expression and accumulation of my understanding sharing techniques, ideas for
